

# VOLUNTEERS NEEDED

## ROADRUNNER GAMES 2025

### Committee Members Needed!

#### **JOIN THE FUN—HELP PLAN OUR BIGGEST EVENT OF THE YEAR!**

Want to meet fellow Roadrunner parents, have some laughs, and help create one of the most fun family events at Little Run? Join the planning committee for our PTA's largest fundraiser of the year!

We meet just a few times (virtually or in person), most of the work can be done on your own schedule, and together we'll put on an amazing event that brings our community together and raises money to support our Little Run Roadrunners.

Be part of something special—you'll make friends, make memories, and make a difference!

#### **BUSINESS SPONSORSHIP COMMITTEE LEAD**

- This role will help lead a committee of 2-3 volunteers that each reach out to 10-12 local businesses for sponsorship opportunities.
- The sponsorships provide affordable marketing opportunities, such as being recognized on RRG t-shirts, the PTA website and in the school directory.
- The committee has access to a script and email/letter templates to make the outreach process efficient for reaching out to a current list of businesses.
- This would be a great role for anyone that is well organized and willing to send emails to help gain support for Little Run!

#### **RAFFLE PRIZE COORDINATOR**

- In this fun and rewarding role, you'll be in charge of reaching out to local businesses to secure awesome donations for our ever-popular raffle.
- Don't worry—we've been doing this for a few years now, so we've got a solid list of contacts to get you started. Plus, the PTA also purchases a few prizes, and you'll help select and organize those as well (shopping for a cause—yes, please!).
- On event day, you'll also help set up the raffle table and make sure everything's ready to wow our families.
