The Connected Family: Navigating the Digital World Together

Technology connects us like never before, but it's important to know how to stay safe while using it. This family workshop provides hands-on learning about internet safety to inform families of:

- Today's popular social sites and apps used by students
- Effective strategies to engage youth in discussions regarding internet safety
- 7 primary topics to discuss with youth that will remain important from kindergarten through adulthood

Join FCPS Intervention and Prevention Services to learn how your family can build healthy, secure, and positive habits online together.
