

Christmas Tree Sale

Hi! I am Eric Brunner and my company is EJB Roofing. My family and I moved to Greenbriar last year and we love our new community.

You may have seen EJB Roofing signs around the neighborhood, but you may not know that we also do full exterior work including siding, gutters, and windows.

We support local PTAs, are members of the Greenbriar Pool Club & Civic Association, and we have also started working with other small businesses resident in Greenbriar.

We are dedicated to being strong community partners and want to meet all our neighbors, so we are selling Christmas trees from the Greenbriar pool parking lot throughout December!

Additionally, we are giving Greenbriar Pool Club Members \$5 off their Christmas tree sale. We are also donating \$5 from each tree sale to the Chantilly High School and Rocky Run Middle School PTAs.

We hope to meet you at the sale!

Sincerely,

Eric Brunner
