# CURRICULUM NIGHT

**An opportunity for our rising 7th and 8th grade families to learn about all the courses available to their students during the 2026-2027 school year.**

- ✔ Meet our core and elective teachers, counselors, and administrators.
- ✔ Attend an information session to learn about math and core pathway options. We will be offering the information session at 6pm and 6:45pm.
- ✔ Students are encouraged to attend as well!
