About:

This enrichment program allows students to dive deeper into Career and Technical Education (CTE) program areas, develop new or existing skills, and begin career exploration.

Students choose the classes they want to take and create their own unique schedule. Classes are introductory and most do not require previous knowledge. By participating in this program, students will have a better understanding of the FCPS CTE electives.

Details:

- Cost - \$300 per week*
 - *Tuition assistance available; details on website
- Dates -
 - Weekly from July 6 to 31
- Time - 8:30 am to 2 pm
 - Early drop off and After Care available!
- Location - Robinson Secondary School
