About:

This enrichment camp allows students to explore Career and TECHNical Education (CTE) by rotating through daily classes.

Our classes are modeled after CTE program areas and include: Business/Marketing, Family + Consumer Sciences, Health + Medical Sciences, STEAM, and Trades. By participating in camp, students will have a better understanding of the FCPS CTE electives.

Details:

Weekly Themes

July 6 - 10: Mission to Mars

Get ready for a week-long mission to explore the Red Planet and discover the amazing jobs that make space travel possible! We'll launch into the world of CTE through hands-on, outer-space themed activities. Join us as we work together to turn our dreams of space exploration into a reality!

July 13 - 17: Deep Sea Discoveries

Dive into a week of underwater adventure at Tech Adventure Camp! This week is for young explorers who want to learn all about the amazing world beneath the waves. Join us for a thrilling journey to the bottom of the sea!

July 20 - 24: Let it Shine!

Are you ready to glow?! This week is bursting with vibrant colors and dazzling fun! We'll light up our creativity with a neon and glitter theme. Join us for a week of bright ideas and brilliant creations that will make your summer sparkle!

July 27 - 31: Passport to Professions

Get ready for a global adventure! This week we're taking a trip around the world where campers will explore exciting careers and learn about different cultures. We'll "travel" to new continents and discover the jobs that make the world go round. Pack your bags and your imagination for a week of career discovery and cultural exploration!
