**Emily's Art**, Paperback **\$9.99** "As with all inspired artists, Emily's paintings reflect her unique perceptions. The child paints her beloved teacher with golden wings and her dog with exceptionally large ears, "Because Thor hears everything." The story, however, really begins before the title page with a provocative classroom discussion of the upcoming art contest-and the process of figuring out the best.....Whether viewed from afar or up close, this creative and heartfelt book is a masterpiece." School Library Journal

**Ivan the Terrier**, Hardcover **\$19.99** Ivan loves a good story. Like that one about the three bears or those three gruff Billy goats. Where else can a dog find such playmates, action, fun... or a cookie? Ivan's own good story lands him just where he loves to be. In your lap.

**Matthew ABC**, Paperback **\$9.99** "Mrs. Tuttle's kindergarten class has 25 students, all named Matthew, and most with jug ears and gap-toothed smiles. How does she tell them apart? Matthew A. is affectionate. Matthew B. is fond of Band Aids. Matthew C. has friendly cowlicks ... a stunning play of art and verbal imagination." Kirkus Reviews

**Monkey and Robot**, Paperback **\$8.99** Monkey and Robot are friends—the best kind. They simply belong together, and it never matters that silly Monkey is furry, or that kind Robot can rust. What matters is their sharing: movies and popcorn, games of hide-and-see, a fish tank for...a hippopotamus?

**More of Monkey and Robot**, Paperback **\$8.99** Monkey gets in the wildest of messes. Robot is always there to help him out. After all, what are best friends for? This chapter book includes four (more!) playful stories. "Readers looking for funny friendship stories but who think that Frog and Toad and other early readers are a tad too easy, will find this unlikely duo just right," says Horn Book Magazine about the Monkey and Robot series.

**Question Boy Meets Little Miss Know-it-All**, Hardcover **\$19.99** "Question Boy wants answers. He lives for them. But none of the town's action heroes—Oil Man, Mail-Man, Paperboy, Police-Woman—can satisfy Question Boy's heroic need to *know!* Enter Little Miss Know-It-All. She has an answer for every who-what-where-when-and-how...and what she doesn't know, she simply makes up. Sparks fly when these two forces meet!" Publishers Weekly
