

**SLES Elementary School needs YOU!**  
**It's time for our annual...**

**Friday, June 12, 2026**  
**9:00-11:30 AM**

**Career Day is a SUPER important introduction to the world of work for our students...and we are looking for guest speakers who are willing to share their career experiences with our students, K-6<sup>th</sup>!**

It is also an opportunity for our students to learn more about our community and services available. We are hoping to have a variety of speakers representing ALL sorts of careers that will resonate with a wide variety of student interests!

This will enhance student engagement, provide exposure to all career clusters, and will also showcase skills aligned with *Portrait of a Graduate* and how they are put into practice in your careers!

If you or someone you know would be interested in speaking, please return this form by **Friday, May 15**. If you have any questions or would like further information please email Ms. Roop at [vroop@fcps.edu](mailto:vroop@fcps.edu) (this email address can also be used to sign up as a speaker/return this form). This sign-up sheet will be available online as well—please see the school website.

Smartboards will be available to plug into—visuals are welcome! Each speaker can plan on 3-4 class rotations/presentations of 15-20 min each. If you need any special accommodations, please let me know.

***Thank you SO much for your consideration and participation in this very important career awareness event for our students!***

**Raina Roop & Mersal Shaker**  
**School Counselors, SLES**
