What is the Fairfax County Special Education Parent Teacher Association?

We are a county-wide parent-teacher association (PTA) established in April 2017, part of Virginia and National PTAs.

Bring Your Own Device Discontinued

- Students must use **FCPS-issued devices** for school-related digital activities during the instructional day.
- Students may not use personal electronic communication or computing devices, including personal laptops, tablets, smartwatches, smartphones, and similar devices.
- Students may only use a personal device if it is required as part of a necessary accommodation in the students' Individualized Education Program (IEP) or Section 504 Plan.
- Principals may approve a limited, course-specific exception for students in a specialized class when the curriculum requires a technology tool or software that isn't available on a standard FCPS-issued device.
- Help support this requirement by reminding students to bring their FCPS-issued device each day and use it for all school-related digital activities unless an approved exception applies.

Immunizations

- Immunizations are required for all students.
- Check your child's immunizations in ParentVUE.
- Free immunization clinics from the Fairfax County Health Department:
 - **Call 703-246-7100 to schedule an appointment.**
 - Visit Fairfax County's website to [view clinic dates and locations.](#)
