

Lexia Core5 & PowerUp: How It’s Used, the Benefits, & Addressing Concerns around Device Usage and AI

Join Lexia Learning to see how FCPS classrooms are using Lexia this year to support your student’s literacy growth.

Want to learn more about Lexia® Core5 and Lexia® PowerUp? This virtual session walks families through how FCPS is using both programs in classrooms across the district this school year to support students’ literacy growth — and gives you a chance to ask questions.

What we’ll cover

- **Program basics.** What Core5 and PowerUp are, and how they meet your student’s individual learning needs.
- **In the classroom.** How Lexia supports teacher planning and instruction.
- **Data & goals.** How educators use Lexia data for progress monitoring and goal setting.
- **Device usage & AI concerns.** Understand how students interact with the online program and how much time they are using the programs in schools.
