

A collage of three images related to water infrastructure: a tall metal water tower on the left, a close-up of a water meter in the center, and a red fire hydrant with a valve on the right.

# Drinking Water Funding Workshop

June 30, 2026

South Hill, VA

10 am – 3 pm

Have a project, but not sure how to fund it? Confused by an application process or don't know where to start?

Come to this workshop to hear directly from funding agencies about their programs and get your questions answered!

Lunch provided!

Register by June 23 [here](#) or by contacting  
Matt Frame at [Matthew.Frame@vdh.virginia.gov](mailto:Matthew.Frame@vdh.virginia.gov) or  
Lee Strickland at [Lee.Strickland@vdh.virginia.gov](mailto:Lee.Strickland@vdh.virginia.gov)

*This event provided at no cost by our sponsors:*
