

Tolling in Washington state

How does the system work

Anyone can use a toll road in Washington.

If you have a **Good To Go!** account, the toll will be charged directly to it. If you don't have an account, a bill will be mailed to the registered owner of the vehicle after you use a toll road.

All vehicles using the SR 520 bridge, SR 99 tunnel, SR 509 Expressway, and Tacoma Narrows Bridge will pay a toll.

In the SR 167 and I-405 express toll lanes drivers have the choice to pay a toll for a faster, more reliable trip or to travel toll-free if they meet the carpool requirements.

Choices for paying tolls

- **Good To Go!** pass – Ensures you pay the lowest rate on every toll road. Passes cost \$5-\$15.
- **Good To Go!** Pay By Plate – You will pay the **Good To Go!** pass rate, plus an extra 25-cent fee for every trip.
- Pay By Mail – You will pay \$2 more than the **Good To Go!** pass rate for every trip.

If you receive a bill in the mail you can pay it online at MyGoodToGo.com, or over the phone by calling customer service at 1-866-936-8246.
