Treehouse provides academic and other essential support for more than 8,000 youth in foster care across Washington state through the following programs:

## FOSTERING FUTURES

### Educational Advocacy

Treehouse staff work with schools, social workers, caregivers and youth in foster care statewide to resolve difficult issues and remove barriers to school success. Students access education-related support services, make a smooth transition during school changes and minimize the effects of school discipline to keep them in school.

## ESSENTIALS & EXPERIENCES

### Clothing & Other Supplies

Access to high quality clothing, shoes, school supplies, toys, books and other items are essential for school success and identify development. Submit a Just-in-Time Funding request.

### Extracurriculars & Summer Camps

Research shows that kids who are positively engaged in school and community have better academic and life outcomes. Available through Just-in-Time Funding.

### Driver's Assistance

We provide funding for driver's licenses, driver's education and car insurance.

### Holiday Magic

Each holiday season, children and youth in foster care receive a meaningful gift.

Treehouse is currently working to expand services to youth experiencing tribal foster care. Over the next year, we are asking to collaborate with tribes to best determine how to serve your communities. We are moving slowly to make sure we are doing the work in a good way and prevent unintended harm.

If your tribal communities are interested in working with us, please reach out to our Tribal Engagement Manager, Kateri Joe (Swinomish/Halalt), at [kateri.joe@treehouseforkids.org](mailto:kateri.joe@treehouseforkids.org) or 206.751.6970.
