Description	This is a series of five learning community sessions.		
	Please complete all required self-paced new provider training modules, based on your role, prior to attending.		
	These sessions will provide a foundation for understanding how to uphold the unique value and digni of each child and family through trusting relationships as we provide strengths-based, family-centered culturally and linguistically responsive services using self-reflection and cultural humility.		
	We go beyond the introductory modules and begin discussing what best practice looks like in Washington State.
