

## Webinar: Wednesday May 29, 2019 12pm – 1pm Pacific Time

Jointly provided by Postgraduate Institute for Medicine and Oregon Pacific AHEC.

### *Learn the Facts:*

Get information on the burden of HPV cancers, the appropriate HPV vaccination schedule for your patient's age, and how to respond to parent's questions about the HPV vaccine.

### ***Presented by: GARY E. HEYAMOTO, D.D.S.***

Gary E. Heyamoto, DDS is a private practice general dentist in Bothell, Washington. A University of Washington Dental School graduate, he is the current chair of Continuing Dental Education for the Washington Academy of General Dentistry (WA AGD), also serving as their clinical director at the WA AGD Angle Lake Educational Center in SeaTac. He holds Fellowships in the Pierre Fauchard Society, AGD, International College of Dentists, Academy of Dentists International and the American College of Dentists along with an AGD Mastership and four Lifelong Learner Service Recognition awards. For a change of pace, he enjoys working as a statistician for the NFL and the NCAA (Football, Basketball).

**Target Audience:** Dentists, Dental Hygienist, Dental Assistants, Dental Students, or any other staff who work with children, adolescents and their parents in a dental setting
