

# February 27

9:00 am – 1:00 pm

## Lewis County MAT Waiver Training

Hosted by CHOICE Regional Health Network,  
AAAP is the Data Sponsor for this waiver training

**Who** Providers interested in prescribing buprenorphine (you are qualified if you are an MD, DO, PA or ARNP) and any others who have patient contact (e.g., nurses, medical assistants, pharmacists, psychologists, social workers, community health workers, peers). Having waived prescribers is important, but MAT is a team sport.

**When** Saturday, February 27, 2020 from 9:00am-1:00pm

**Where** Zoom

**CME** This waiver training is **free of charge**. Physicians, nurses, physician assistants, and pharmacists are eligible for CME after completing the second half of the training. AAAP is the DATA 2000 Sponsor for this training.

### Educational Objectives

- Screen and identify patients with OUD and define evidence-based treatments.
- Discuss the pharmacology of opioids as it relates to treatment of opioid use disorder (OUD) patients.
- Describe the fundamentals of office-based opioid treatment including the treatment of the co-morbid patient.
- Explain the process of buprenorphine induction as well as stabilization and maintenance.
- Discuss all FDA approved antagonist and agonist medications to treat OUD.
- Discuss basic office protocols including medical record documentation and confidentiality.
- Utilize evidence-based resources to ensure providers have the confidence to prescribe buprenorphine for patients with OUD.
- Recognize the importance of obtaining a waiver to begin treating patients with OUD.
