**Any other findings required by other provisions of law as precondition to adoption or effectiveness of rule?**

- ☐ Yes ☒ No If Yes, explain:

**Purpose:** WAC 246-945-171 Retired active pharmacist license status, establishing a new section of rule. On March 26, 2020, Governor Inslee signed proclamation 20-32 to help increase the number of healthcare workers available to meet the needs of patients during the coronavirus disease 2019 (COVID-19) pandemic. This proclamation included a provision that allows a pharmacist with a retired active pharmacist license status to practice pharmacy. Specifically, the proclamation amended WAC 246-863-080(2) to allow holders of a retired active pharmacist license status to practice pharmacy while the proclamation remains in effect.

However, the Pharmacy Quality Assurance Commission (commission) recently updated and consolidated all rules under its authority into one new chapter (chapter 246-945 WAC). In this rewrite process the requirements from WAC 246-863-080 and the retired active pharmacist license status no longer exist. Beginning July 1, 2020 chapter 246-945 WAC took effect and the commission no longer enforces WAC 246-863-080. This emergency rule matches the intent of the Governor's proclamation by reinstating a retired active pharmacist license status allowing retired pharmacists to practice pharmacy during emergent or intermittent circumstances and assist with the COVID-19 response. This emergency rule also reinstates the process for applying for a retired active pharmacist license and establishes the criteria for returning to active status.

**EMERGENCY RULE**

Under RCW 34.05.350 the agency for good cause finds:

- ☒ That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- ☐ That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

**Reasons for this finding:** The immediate adoption of WAC 246-945-171 is necessary for the preservation of public health, safety, and general welfare. This rule allows retired pharmacists to assist in the response during public health emergencies such as the COVID-19 pandemic and is in line with the intent of Governor Inslee's proclamation 20-32. This emergency rule allows retired pharmacists to help meet the needs of patients during the COVID-19 pandemic through performing pharmacy services such as vaccine administration. Observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest and the Governor's orders.

The commission has also authorized permanent rules on this topic and will proceed with standard rulemaking for permanent rules as soon as the COVID-19 response allows.
