SHB 1009 also included a date of October 1, 2023 for the bill to “take effect.”</p>	<p><u>HB 1009</u> <i>Sponsors:</i> Representatives Leavitt, Barkis, Ryu, Paul, Donaghy, Slatter, Simmons, Low, Volz, Schmidt, Christian, Lekanoff, Griffey, Doglio, Robertson, Orwall, Caldier, Reeves, Bronoske, Bergquist, Shavers, Riccelli, and Ormsby <i>Introduced (House):</i> 1/9/2023, referred to the House Innovation, Community & Economic Development, & Veterans Committee. <i>Public hearing (House):</i> 1/11/2023 <i>Executive session (House):</i> 1/13/2023, substitute version introduced and passed as current version 1/17/2023 <i>(House):</i> Referred to Appropriations Committee</p>

SB 5271 HB 1434	Uniform Facilities Enforcement Framework	<p>This legislation extends the enforcement tools enacted in 2020 and 2021 for psychiatric and acute care hospitals to all facilities the department regulates. Our current enforcement options for most facilities are limited to denying, suspending, or revoking a license. This bill adds:</p> <ul style="list-style-type: none"> • Immediate enforcement tools, such as stop placement, limited stop placement, limited stop service, and reasonable conditions, to address violations that constitute immediate jeopardy, including when a facility refuses to comply with an investigation. Immediate jeopardy is defined as a situation in which the facility has placed patients in its care at risk for serious injury, serious impairment, or death. • Intermediate tools to address repeat violations to bring facilities into compliance with regulations. These tools, including reasonable conditions and civil fines, are intended to be used after the department’s initial informal process of issuing a statement of deficiencies and a facilities’ plan of correction fail to ensure the violation does not occur again. <p>The legislation also ensures the authority to issue cease and desist orders and injunctions for unlicensed operation of a facility is consistent for all facilities the department regulates.</p>	<p><u>SB 5271</u> <i>Sponsors:</i> Senators Cleveland and Robinson, by request of the Department of Health <i>Introduced (Senate):</i> 1/11/2023, referred to the Senate Health & Long Term Care Committee.</p> <p><u>HB 1434</u> <i>Sponsors:</i> Representatives Thai and Riccelli, by request of the Department of Health <i>Introduced (House):</i> 1/18/2023, referred to House Health Care & Wellness Committee.</p>

The bill also adds drug prescribing and administering rights. The expanded scope is further defined through a list of prohibited ophthalmic surgical procedures. The board must adopt rules (sole authority) to define authorized procedures, additional drug privileges and guidelines, and required education, training and testing to ensure optometrists are qualified to practice under the expanded scope.</p>	<p><u>SB 5389</u> <i>Sponsors:</i> Senators Cleveland, Rivers, Robinson, Van De Wege, Conway, Holy, Schoesler, L.
