<b>Bills That Merit Active Involvement/Input</b>			
<b>Bill # /Companion</b>	<b>Short Title</b>	<b>Brief Description</b>	<b>Committee Action (subject to change)</b>
<a href="#">HB 1665</a>	Pharmacist scope-of-practice and drug therapy	<p>This bill amends RCW 18.64.011 and adds a new section to chapter 18.64 RCW expanding the scope-of-practice for licensed pharmacists to initiate treatment for certain health conditions without the need for a collaborative drug therapy agreement (CDTA) or other written protocol and order and interpret CLIA-waived tests without a drug therapy and diagnosis.</p> <p>Section 1 of the bill amends RCW 18.64.011(28) to expand the definition for “Practice of pharmacy” to include the responsibility for “ordering, administering, reviewing, or interpreting” tests for certain health conditions approved by the FDA and waived under CLIA without a CDTA or a drug therapy and diagnosis. The definition is further expanded to allow pharmacists to initiate or modify drug therapy for certain health conditions without a CDTA. Drug therapy must be initiated or modified in accordance with written guidelines, protocols, or a CDTA if the health condition being treated is <i>not</i> described in Section 2 of the bill.</p> <p>Section 2 defines a health condition as “typically a short-term health condition that is generally managed with noncontrolled drug therapies, minimal treatment, or self-care.” Pharmacists may use any waiver-qualifying test—per Medicare and Medicaid guidelines—to guide clinical decision making and may delegate the administering of those tests in Section 2 to an intern or pharmacy technician acting under their supervision.</p>	<p><b><u>HB 1665</u></b>  <i>Sponsors: Stonier, Santos, and Pollet</i>  <i>Introduced (House): 1/30/2023,</i>  <i>referred to House Health Care &amp; Wellness Committee</i></p>

<a href="#">SSB 5271</a>  <a href="#">HB 1434</a>	Uniform Facilities Enforcement Framework	<p>This legislation extends the enforcement tools enacted in 2020 and 2021 for psychiatric and acute care hospitals to all facilities the department regulates. Our current enforcement options for most facilities are limited to denying, suspending, or revoking a license. This bill adds:</p> <ul style="list-style-type: none"> <li>• Immediate enforcement tools, such as stop placement, limited stop placement, limited stop service, and reasonable conditions, to address violations that constitute immediate jeopardy, including when a facility refuses to comply with an investigation. Immediate jeopardy is defined as a situation in which the facility has placed patients in its care at risk for serious injury, serious impairment, or death.</li> <li>• Intermediate tools to address repeat violations to bring facilities into compliance with regulations. These tools, including reasonable conditions and civil fines, are intended to be used after the department’s initial informal process of issuing a statement of deficiencies and a facilities’ plan of correction fail to ensure the violation does not occur again.</li> </ul> <p>The legislation also ensures the authority to issue cease and desist orders and injunctions for unlicensed operation of a facility is consistent for all facilities the department regulates.</p>	<p><b>SB 5271</b>  <i>Sponsors:</i> Senators Cleveland and Robinson, by request of the Department of Health  <i>Introduced (Senate):</i> 1/11/2023, referred to the Senate Health &amp; Long Term Care Committee  <i>Public hearing (Senate):</i> 1/26/2023  <i>Executive session (Senate):</i> 2/7/2023, <b>substitute version introduced and voted to replace original.</b> Referred to Ways &amp; Means (2/8)</p> <p><b>HB 1434</b>  <i>Sponsors:</i> Representatives Thai and Riccelli, by request of the Department of Health  <i>Introduced (House):</i> 1/18/2023, referred to House Health Care &amp; Wellness Committee.</p>
<a href="#">SHB 1275</a>  <a href="#">SSB 5308</a>	Athletic trainers scope-of-practice	<p>Subsection 2(1) of the original bill amended RCW 18.250.110 to clarify current medication laws by allowing athletic trainers to purchase, store, and administer medications <u>in accordance with their pharmacological education and training.</u> Previous legislation inadvertently limited athletic trainers to specific over-the-counter topical medications. This language removes this unnecessary limitation.</p> <p>The substitute version of 1275 removes the previously proposed amendment language and creates a new section to specify in Section 2, subsection (1)(b) that athletic trainers able to purchase, store, and administer medications are those who “completed accredited training programs on pharmacology and medication administration.”</p>	<p><b>HB 1275</b>  <i>Sponsors:</i> Representatives Thai, Harris, and Riccelli  <i>Introduced (House):</i> 1/12/2023, referred to House Health Care &amp; Wellness Committee  <i>Executive session (House):</i> 2/1/2023, <b>substitute version introduced and approved with a do pass recommendation.</b> Referred to Rules 2 Review (2/3)</p>

		The bill also adds language clarifying the definitions for “athlete,” “athletic injury,” and “athletic trainer” under RCW 18.25.010 to align with other states and national organizations.	<b>SB 5308</b> <i>Sponsors:</i> Senators Cleveland and Rivers <i>Introduced (Senate):</i> 1/12/2023, referred to Health & Long Term Care Committee <i>Executive session (Senate):</i> 2/2/2023, <b>substitute version introduced and approved with a do pass recommendation.</b> Passed to Rules Committee for second reading (2/3)
<a href="#">HB 1041</a>	Prescriptive authority of psychologists.	Due to an identified “lack of prescribers comfortable with prescribing psychiatric medications to support the behavioral health needs of the state,” this bill authorizes successfully credentialed psychologists to prescribe psychotropic medications.  Section 2 of the bill revises and adds numerous definitions to the RCW 18.83.010 to accommodate the proposed action while Sections 3 and 4 create and grant prescriptive authority to credentialed psychologists in statute.  Of note to the commission is Section 6(6) which requires the examining board of psychology to transmit a list of prescribing psychologists and update or modify the list as necessary going forward.	<b>HB 1041</b> <i>Sponsors:</i> Representatives Bateman, Macri, Ryu, and Simmons <i>Pre-file (House):</i> 12/15/2022. <i>Introduced (House):</i> 1/9/2023, referred to the House Health Care & Wellness Committee. <i>Public hearing (House):</i> 1/13/2023
<a href="#">HB 1546</a>	Good Faith Pain Act	This bill establishes protections for various health care professions “acting in good faith” in prescribing or dispensing opioid drugs “for legitimate medical purposes in the course of professional practice.” The covered professions include pharmacists, dentists, physicians, physician assistants, advanced registered nurse practitioners, podiatric physicians and surgeons, and osteopathic physicians and surgeons.	<b>HB 1546</b> <i>Sponsors:</i> Representatives Caldier, Jacobsen, and Hutchins <i>Introduced (House):</i> 1/24/2023, referred to House Health Care & Wellness Committee
<a href="#">SB 5389</a>	Optometry scope-of-practice	This is a scope-of-practice bill for optometry updated from last year’s version ( <a href="#">SHB 5542</a> ). The bill amends RCW 18.53.010 expanding the optometrist scope of practice	<b>SB 5389</b>

<a href="#">HB 1678</a>	Dental therapy	The bill creates dental therapists as a new profession under Title 18 RCW. Discipline would be under the authority of the Dental Quality Assurance Commission. Approval of licensing examinations would be the responsibility of the Dental Hygiene Examining Committee. A dental therapist must practice under the supervision of a dentist and with a written practice plan contract which must be filed with the Department of Health.  The bill details the scope of practice, and restricts the practice settings for dental therapists, along with requirements for supervision and a practice plan contract with a supervising dentist.	<b>HB 1678</b> <i>Sponsors:</i> Representatives Riccelli, Lekanoff, Stonier, Morgan, Bateman, Macri, Ormsby, Slatter, Entenman, Ramos, Peterson, Tharinger, Chopp, Ryu, Pollet, Davis, Harris, Taylor, Simmons, Kloba, and Gregerson <i>Introduced (House):</i> 1/30/2023, referred to House Health Care & Wellness Committee <i>Public hearing (House):</i> 2/7/2023

		<ul style="list-style-type: none"> <li>• Education and employment: HCA must provide grants to supportive programs that help persons with SUD with employment.</li> <li>• Establishes a statewide directory of recovery services: Subject to funding, DOH must contract with a vendor to provide a “dynamically updated” tool to map and direct individuals to treatment and recovery support services.</li> <li>• Intends to fund crisis stabilization units, mobile crisis response, recovery navigator programs, and law enforcement assisted diversion.</li> <li>• Establishes a HCA workgroup to streamline SUD treatment intakes/assessments with goal to broaden workforce capable of conducting intakes.</li> <li>• Establishes a safe-supply workgroup with members appointed by the governor.</li> <li>• OTP licensure: explicitly adds OTPs to the list of essential public facilities. Prohibits cities, in addition to counties, for setting capacity limits. Removes the requirements for the department to hold a public hearing. Adds mobile or fixed-site medication units to the definition of OTP. Establishes a Department of Commerce program to fund additional OTPs.</li> </ul>	
<a href="#">2SHB 1009</a>	Military spouse employment	<p>The Military Spouse Employment Act creates occupational flexibility for military spouses, 34 to 50 percent of whom work in fields requiring a professional license. RCW 180.340.020 is amended to streamline the process by which licensing authorities may expedite the issuance of a license to a qualified applicant who is also a military spouse.</p> <p>Section 5 of the bill also mandates training for each board or commission member on “the culture of military spouses, the military spouse experience, and issues related to military spouse career paths.” Boards and commissions are encouraged to appoint a military spouse to serve on its licensing board or commission.</p> <p>The bill would also create a military spouse assistance web page (Section 6), require the department to develop a campaign with local business associations and chambers of commerce to increase military spouse employment (Section 8), and allow military spouses to terminate their own employment more easily in cases of a permanent change of station for their spouse (Section 9).</p>	<p><b>HB 1009</b>  <i>Sponsors:</i> Representatives Leavitt, Barkis, Ryu, Paul, Donaghy, Slatter, Simmons, Low, Volz, Schmidt, Christian, Lekanoff, Griffey, Doglio, Robertson, Orwall, Caldier, Reeves, Bronoske, Bergquist, Shavers, Riccelli, and Ormsby  <i>Executive session (House):</i> 1/13/2023, <b>substitute version introduced and passed as current version.</b> Referred to Appropriations Committee (1/17)  <i>Public hearing (House Appropriations):</i> 1/30/2023</p>

		<p>Of interest to the commission is that CRCs are eligible to obtain an HCE license, which would have some effect on licensure management and inspection practices.</p> <p>The substitute version of the bill specifies that the service is only for adults and establishes record-keeping requirements for facilities to track declined admissions (making the information available to the department). SSB 5120 also requires a prescriber for the facility and the ability to dispense medications.</p>	<p><i>Executive session (Senate): 1/26/2023, <b>substitute version introduced and passed as current version</b>, referred to Ways &amp; Means without recommendation (1/30).</i></p>
<a href="#">SB 5263</a>	Psilocybin services	<p>This bill establishes psilocybin services for the purpose of behavioral health treatment. Like the 2022 version, <a href="#">SB 5660</a>, this legislation establishes a psilocybin advisory board (Section 6) to develop a psilocybin program over a period of two years and provide information to the department on request. Departmental jurisdiction over this program will not be shared with PQAC (Section 8).</p> <p>The 2023 bill adds to the previous year version by proposing a Client Bill of Rights (Section 88) to protect individuals that use the psilocybin program as well as legal protections for medical and healthcare personnel, clients, and primary caregivers for sharing information about psilocybin services (Section 93). Additional regulatory elements are also applied to the psilocybin service facilitator position.</p>	<p><b><u>SB 5263</u></b>  <i>Sponsors:</i> Senators Salomon, Rivers, Saldaña, Nobles, Lovick, Lovelett, Hunt, Hasegawa, Mullet, Trudeau, Robinson, Pedersen, Wellman, Muzzall, C. <a href="#">SB 5481</a>	Uniform Telemedicine Act	<p>This bill proposes the creation of a new section or sections of statute for the purpose of allowing health care practitioners to provide telemedicine services to patients. Providers using telemedicine services must comply with health care practices regulated by state and federal law and in compliance with professional practice standards applicable to the health care practitioner.</p> <p>SB 5481 also allows for the registration of out-of-state health care practitioners by relevant disciplining authorities listed under RCW 18.130.040. Out-of-state practitioners must complete a form provided by the disciplining authority to register under the proposed statutory language. Section 7 of the bill establishes qualifying requirements such as active license status, five years without any disciplinary action taken, and registration fees. Following sections outline the conditions by which disciplinary actions may be taken (Section 8), reporting requirements by the practitioner to the disciplinary authority (Section 9), and venue restrictions for practitioners providing telemedicine services (Section 10).</p>	<p><b><u>SB 5481</u></b>  <i>Sponsors: Senators Cleveland and Pedersen</i>  <i>Introduced (Senate): 1/19/2023,</i>  <i>referred to Senate Health &amp; Long Term Care Committee</i>  <i>Public hearing (Senate): 2/2/2023</i></p>
