Agency: Department of Health-Board of Osteopathic Medicine and Surgery

Subject of possible rule making: Osteopathic physician exam requirements in WAC 246-853-020. The Board of Osteopathic Medicine and Surgery (board) is considering amendments to update the examination requirements for licensure of osteopathic physicians

Statutes authorizing the agency to adopt rules on this subject: RCW 18.57.005, 18.130.050 and 18.340.020; Second Substitute House Bill (2SHB) 1724 (chapter 425, Laws of 2023)

Reasons why rules on this subject may be needed and what they might accomplish: 2SHB 1724 requires regulatory authorities to review licensure standards for health professionals in other states to determine substantial equivalency to Washington licensure standards in order to streamline and expedite credentialing processes. In response to this requirement, and to reduce potentially unnecessary licensure barriers, the board is considering amendments to the osteopathic physician examination requirements.

Identify other federal and state agencies that regulate this subject and the process coordinating the rule with these agencies: None

Process for developing new rule (check all that apply):

- Negotiated rule making
- Pilot rule making
- Agency study
- Other (describe) Collaborative rulemaking
