SHB 1909 Joshua	Relating to membership of the Pharmacy Quality Assurance Commission	HB 1909 amends RCW 18.64.001 pertaining to individual eligibility to apply for a seat on the Pharmacy Quality Assurance Commission (commission). The amended bill changes one of the seats reserved only for a licensed pharmacist to allow for a public member who “may be an owner, officer, or operator of a pharmacy, but may not be licensed as a pharmacist or pharmacy technician” to also apply for the seat.	HB 1909 <i>Sponsors:</i> Representatives Low, Ramel, Schmidt, Timmons, and Schmick <i>Consideration (Rules):</i> 2/2/2024, Rules Committee relieved of further consideration; bill placed on second reading. <i>Floor Vote (House):</i> 2/6/2024, passed through chamber by majority vote (98/0/0/0)
SSB 5776 Joshua	Emergency supply of insulin	The bill adds new sections to chapter 70.330 RCW pertaining to providing one emergency 30-day supply of insulin to patients within a 12-month period. The Health Care Authority (HCA) is tasked with implementing the emergency insulin program. The substitute bill requires the HCA to use the prescription drug purchasing consortium to manage the program. Network pharmacies may submit a request for reimbursement to the consortium for any emergency insulin dispensed under the program. The consortium will invoice manufacturers quarterly for the cost of insulin dispensed by those network pharmacies. Under the substitute bill, the HCA must also post a list of manufacturer patient cost savings programs on its website alongside the other explanatory information about the emergency insulin provision program. ESSB 5271 Joshua	Uniform Facilities Enforcement Framework	<p>This bill was originally introduced during the 2023 session. It extends the enforcement tools enacted in 2020 and 2021 for psychiatric and acute care hospitals to all facilities the department regulates. Our current enforcement options for most facilities are limited to denying, suspending, or revoking a license. This bill adds:</p> <ul style="list-style-type: none"> • Immediate enforcement tools, such as stop placement, limited stop placement, limited stop service, and reasonable conditions, to address violations that constitute immediate jeopardy, including when a facility refuses to comply with an investigation. Immediate jeopardy is defined as a situation in which the facility has placed patients in its care at risk for serious injury, serious impairment, or death. • Intermediate tools to address repeat violations to bring facilities into compliance with regulations. These tools, including reasonable conditions and civil fines, are intended to be used after the department's initial informal process of issuing a statement of deficiencies and a facilities' plan of correction fail to ensure the violation does not occur again. 	<p><u>ESSB 5271</u> <i>Sponsors: originally sponsored by</i> Senators Cleveland, Robinson, Kuderer, Nobles, Wellman, and C.
