**Any other findings required by other provisions of law as precondition to adoption or effectiveness of rule?**

Yes  No If Yes, explain:

**Purpose:** Removing references to Osteopathic Physician Assistants. The Washington Medical Commission (commission) has adopted amendments to WAC 246-918-895 and 246-919-945 to align rule language with currently accepted language.

In 2020, the legislature passed Substitute House Bill 2378 Concerning physician assistants. This bill eliminated the profession of osteopathic physician assistant and placed all physician assistants under the authority of the commission.

As a result of this bill, chapter 246-854 WAC, which pertained to osteopathic physician assistants, was repealed. In both WAC 246-918-895 and 246-919-945, the commission referenced a section to the now-repealed chapter 246-854 WAC. Additionally, these sections referenced both allopathic and osteopathic physician assistants. The commission has adopted amendments that remove the references to chapter 246-854 WAC and to allopathic and osteopathic physician assistants.
