SUBJECT: Rescind Policy Statement P005, Enforcement of AIDS Education and Training Rules

This memo serves as notice that the Pharmacy Quality Assurance Commission (commission) is rescinding Policy Statement P005, Enforcement of AIDS Education and Training Rules, which was filed August 6, 2020, and published in WSR 20-17-018.

The policy statement clarified that the commission would no longer enforce AIDS training requirements in chapter 246-945 WAC because Engrossed Substitute House Bill 1551 (Chapter 76, Laws of 2020) repealed those requirements in law. The rules in chapter 246-945 WAC are now repealed, filed April 18, 2023, and published in WSR 23-09-062. As a result, this policy statement is no longer needed.

Individuals requiring additional information on this should contact Joshua Munroe, Rules and Legislative Consultant, by phone at 360-502-5058 or by email at PharmacyRules@doh.wa.gov.

Thank you for your attention to this matter.
