ID: JJ Klaus, a white male wearing a black zippered pullover.

Background:

JJ Klaus is a CODA, currently licensed with 13 different insurance carriers in nine states. He will be presenting on Medicare changes for 2024-2025 season.

Medicare is our country's health insurance program for people age 65 or older and younger people receiving Social Security disability benefits. The more you understand your Medicare options, the easier it will be to choose a plan. No matter when your 65th birthday is, you can start planning for better health care now. - JJ Klaus

Accessibility: We are committed to equitable and inclusive access. Events will be in ASL with spoken English interpretation and CART.
