

AFH Admin Training Series

Home and Community Services (HCS) has created a series of voluntary trainings for Adult Family Home (AFH) Providers who work with Medicaid-eligible clients. The free courses will be available each quarter on different subjects of interest and will offer 1.5 Continuing Education Units (CEUs).*

The HCS Overview for AFH Providers is a series, including three sessions that will provide an overview of the many program and service options available from Home and Community Services. The trainings are presented by a panel of HCS Subject Matter Experts and will offer information, resources, and support.
