Re: Termination of the exceptional rate

The Exception to Policy (ETP) granted in the letter from me dated April 03, 2020 will sunset on June 30, 2020 for the DDA contracted Licensed Staffed Residential and Group Care Facilities supporting medically complex children receiving Voluntary Placement Services.

At this time we are uncertain of any add-on beyond June 30, 2020. We will notify you as soon as we become aware of any changes.

I appreciate your continued partnership and commitment to bring quality services for people with disabilities. Please do not hesitate to connect with me if you have questions.

Thank you,

Nichole Jensen
