Re: Termination of the exceptional rate

The Exception to Policy (ETP) granted in the letter from me dated April 03, 2020 will sunset on June 30, 2020 for the DDA Certified Residential Services Programs including: Supported Living, Group Homes, and Group Training Homes.

At this time we do not have permission to extend this add-on beyond June 30, 2020. Your daily reimbursement rate starting July 01, 2020 will revert back to the assessed rate.

I appreciate your continued partnership and commitment to bring quality services for people with disabilities. Please do not hesitate to connect with me if you have questions.

Thank you,

Valerie Kindschy, Community Residential Services Program Manager
