Subject: Children's Residential Services' legislative appropriated rate increase

The 2022-24 biennial budget authorizes a 2% increase beginning Jan. 1, 2023. DDA group care facilities supporting medically complex children will receive a rate increase based upon DDA contract 1721-XP under Special Terms and Conditions outlined in Exhibit A. These additional funds will be added into your contract with an effective date of Jan. 1, 2023.

We recognize the significance of the work you do each day. We hope this increase in rate will aid in providing long-term and stable supports to children and their families. We appreciate your continued partnership with the Washington State Department of Social and Health Services' Developmental Disabilities Administration.

Thank you,

Kim Calkins
Children's Residential Program Manager
