About Carina:

Carina helps care seekers and providers find care and jobs close to home.

- ✓ Nonprofit
- ✓ Free, easy to use
- ✓ Care matching platform

"I was able to find a caregiver in my area. The way I could read each person's profile made it more in-depth and personal than just the basic qualifications."

-- Wendy,
care seeker in WA

Carina is a **free**, easy-to-use **care matching service** for care seekers and providers.

Carina is a benefit from the Collective Bargaining Agreement between SEIU 775 and CDWA.

Use Carina if you

- Are eligible for Medicaid in-home care
- Have access to a computer or smartphone with internet connection
- Can manage the registration and search process.
- Have a family member or a friend who can help.
- Speak English or Spanish

Contact CDWA if you

- Are eligible for Medicaid in-home care
- Do not have access to a computer or smartphone with internet connection
- Need help managing the registration process
- Speak a language other than English or Spanish

What is CDWA?

CDWA has replaced the Department of Social and Health Services (DSHS) as the administrative employer for Individual Providers (IPs). Care seekers should work with their Case Manager to access services and should wait for CDWA approval before care can begin.
