

One Team: Discussion Series - For Community Residential Providers

Our Quality Assurance, Training, Nursing and Residential Units have created a collaborative project offering support to community residential providers. Every quarter we are hosting a 1.5 - 2-hour Team's meeting that includes subject matter experts who present valuable and timely information and facilitate meaningful discussions.

The session will consist of a casual presentation which will include opportunities to ask questions and share experiences. There will also be interactive breakout sessions where participants can learn from each other in smaller group settings. Remember, this is a discussion series – which requires **active participation** – the quality of your experience will be directly related to your level of participation. In the last 10-15 minutes, the hosts will also share resources with participants. Also, the presentation will be fairly basic, but its purpose is to spark discussion that can be more advanced – then our greatest limitation is time.

Providers can receive Continuing Education Credit for full participation (2 CEs) and the thoughtful completion of an online session survey and “knowledge questions.” On the survey, providers can also propose future discussion topics, provide feedback, ask detailed follow-up questions, and request one-on-one consultation with their regional Residential Program Specialist, which allows us to offer more time.

Our Session 3 discussion will be:

Tuesday, September 16th, 10:00am – 11:30am

Integrated Settings: Understanding and Implementing CMS Final Rule in Residential Programs

Presenters:

Daniel Marshall, DDA Residential Program Specialist (Region 1)

Caitlin Thatcher, DDA Residential Program Specialist (Region 2)

Mikal Applewhite, DDA Residential Program Specialist (Region 3)

BONUS SESSION:

Monday, October 13th, 2:00 – 3:30pm

Data Collection in Functional Assessment & Positive Behavioral Support Plans: What to collect, how, when, and why?

Presenter:

Dr. Emily Branscum, Field Services Psychologist, Region 3

To Register:

Carefully follow these instructions to register.

Please send an email to Robin.Wiseman@dshs.wa.gov. In the subject line write: **One Team: Discussion Series – Registration** (*You can register for both the September Session 3 and October BONUS session during this registration*). In the email content, you also need to **include your name, company name, phone number, and title**. Robin will then forward the meeting link several days before the meeting. **Space is limited**, so if your availability changes, please let Robin know so someone else can be added to the discussion.
