

THE COACH APPROACH TO ADAPTIVE LEADERSHIP

This FREE training is brought to you by the Washington State Healthcare Authority (HCA) through the System of Care (SOC) grant in an effort to create better communication between families, youth, and the system partners who serve them.

What is The Coach Approach?

11

Mindset

We believe others are capable and competent

- Our role as leaders is to strengthen others and build their skills – and as our team is strong, we are too!
- There is often more than one right answer
- We support critical thinking by asking questions, so people develop their own solutions
