Press Release Regarding Unclaimed Remains

The Kitsap County Coroner's Office is currently in possession of the remains of the following 10 people that are currently considered either indigent or abandoned. We at the Kitsap County Coroner's Office feel very strongly that these individuals deserve to be treated with respect and dignity, and we would like to place the remains with family or friends if at all possible. Our office has dedicated numerous hours attempting to find family for these individuals to no avail. It is our hope that this joint outreach with the media will reach someone that we have been unable to locate through other means. If you are, or know of, a friend or family member of any of the following individuals, please contact the Kitsap County Coroner's office at 360-337-7077.
