Shape Training for Washington State Retail Cannabis Workers

The Washington State Department of Health is conducting focus groups to learn from current retail cannabis workers (budtenders)!

We want to know about your experience with:

- High-THC Cannabis products
- Customer interactions
- Workplace practices

Focus group info will be used to develop educational training and tools for your fellow budtenders in non-medical retail settings across Washington state. Participants will receive a \$75 VISA gift card. You must be at least 21 years old and currently employed as a budtender in Washington state to participate.

When: Monday, June 9, 2025 from 12:00 pm - 1:00 pm

Where: Virtual, via Zoom

How to get involved?
