## Shape Training for Washington State Retail Cannabis Workers

The Washington State Department of Health is conducting focus groups to learn from licensed cannabis retailers!

We want to know about your experience with:

- High-THC Cannabis products
- Customer interactions
- Workplace practices

Focus group info will be used to develop educational training and tools for your budtenders in non-medical retail settings across Washington state.

*\* a separate focus group includes retail cannabis workers*

**When:** Wednesday, June 11, 2025 from 12:00 pm- 1:00pm

**Where:** Virtual, via Zoom

Participants will receive a \$75 VISA gift card

**How to get involved?**
