

# YOUTH HERITAGE PROJECT

## PORT TOWNSEND

JULY 12-15, 2022

All high-school age students are invited to get hands-on with history this summer in Port Townsend!

At this year's Youth Heritage Project (YHP), you'll have the chance to dive into maritime heritage—past and present—and work on storytelling projects related to the Maritime Washington National Heritage Area. From our base at Fort Worden, you'll take to the water in locally hand-made long boats, meet with boatbuilders and tradespeople, and learn from local Tribal members.

Whether you're a history lover, an outdoor enthusiast, an aspiring storyteller, or a budding artist, YHP is a fun opportunity to explore a unique place in your state, meet new friends, and give back this summer!

This program is **FREE OF COST** for those accepted. We are also seeking adults to serve as teacher-mentors for the program. Please use the same link to apply!

## Application now open at: [preservewa.org/yhp](http://preservewa.org/yhp)
