Transition Support and Services: Summary for Students, Families and Caregivers (NEW RESOURCE)

[Transition Support and Services: Summary for Students, Families and Caregivers](#) is a helpful resource to learn more about how the Individualized Education Program (IEP) Transition Plan and aligned High School and Beyond Plan (HSBP) support a student to be ready for their goals for post-secondary goals. This resource was developed in collaboration with the Secondary Pathway Preparation team at OSPI and is available on the [Family Transition Services](#) webpage and the [Secondary Transition](#) webpage.
