Additional information for the day:

- **The Spokane Convention Center is a CASHLESS facility so please have your students plan accordingly.**
- The Spokane Ag Show is closing at 2:00pm on Thursday, February 8th. This is a change from prior years.
- Career Fair - On Thursday, February 8th from 11:00am – 12:30pm, we will be offering a Career Fair to enlighten high school students about business careers in agriculture. There is a tremendous opportunity and need in the agriculture industry for employees with a business background who wish to specialize in this field. The Career Fair will be held immediately following the FFA program. Location is the Centennial Ballroom Lobby (right outside where the program is being held)
- While we love the kid’s enthusiasm in seeing the show, please do not include show staff/show volunteers on any scavenger hunts or lists of required people/things to see while they are at the show as takes them from their show duties.
- There are three payment options for you this year:
 - Pre-purchase your ticket through TicketsWest at www.agshow.org
 - Notify us at dgill@greaterspokane.org if you’d like to do a purchase order
 - Fill out the enclosed registration form prior to arrival Thursday morning by listing the students names on the enclosed sheet and give it, along with the money (**please collect the money prior to your arrival**) to the ticket attendant at the show. **We will give you the entry bracelets to disperse to your students.** The bracelet will gain entry to all other Spokane Ag Show/Farm Forum seminars and exhibits.

Please let me know if you have any questions. We look forward to seeing you and your students next week!
