

April 23-26, 2024 at Camp Koinonia, Easton WA

SPRING '24 OUTDOOR SCHOOL TRAINING

For school staff and outdoor school site staff interested in starting or improving outdoor school programs for 5th/6th grade students

HIGHLIGHTS

-  Sessions presented by experts in the field
-  Plenty of hands-on, integrated learning out in nature
-  Learn about community partners and state support to help develop your program
-  Spend time learning, exploring, having fun, and building connections with people who love outdoor education as much as you

We encourage school/site teams to attend together. Time for program planning is included in the schedule.

There is no cost for this event! (see below)
