

Dispute Resolution Updates

Updated CADRE Resources

The Center for Appropriate Dispute Resolution in Special Education (CADRE) has a new resource on "[Dispute Resolution under Various Federal Laws](#)". This webpage includes information about the Individuals with Disabilities Education Act (IDEA), Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act, and the Family Education Rights and Privacy Act (FERPA). The CADRE webpage also includes helpful infographics, information comparing IDEA and Section 504, links to dispute resolution parent guides translated into several languages, and a comparison chart of the special education dispute resolution options. These resources may be helpful for both district staff and families navigating a potential conflict.
