SLSS Spotlight: HSSP

While impactful work is happening throughout Student Learning and Support Services, the October Spotlight is proud to highlight staff member Mike Glenn, and his work within the Homeless Student Stability Program (HSSP). Mike works at Open Doors, Next Generation Zone in Spokane, and his HSSP work supported by the Department of Commerce.

HSSP provides housing support services to students and their families experiencing homelessness and unaccompanied students experiencing homelessness.

Mike Glenn assists students, and families, by providing housing support, housing navigation, financial and/or rent assistance, housing stability case management and other collaborative, strengths-based services.

Thank you, Mike, for all your work to ensure students and their families are supported through the HSSP program. Truly, this is service in action!

Save the Dates!

October 31st

Goals due in NeoGov for those engaging the new evaluation system.

November 14th

All Staff Zoom #1 @ 3:15pm

Looking for a great cultural calendar? Click [HERE](#) for a resource from Cultures Connecting.

You Should Know. . .

NEWESD101 supports 51 districts across our region with nursing services.

If you are being served with our new evaluation system, (NeoGov), you should have received a notification about goal setting. Unsure about what this means? Please contact your supervisor.

Darren Nelson
Assistant Superintendent., SLSS

To add a little fun this fall, I'm thankful that five of our SLSS Directors came together to create a fun, Halloween inspired video for our team. Kudos to Erik Wolfrum, Sandra Szamblean, Brittany Roetcisoender, Connie Kliewer and Terrance Nixon for their efforts. Click the pumpkin to view!

Bad Joke/Dad Joke of the Month: If you witness a crime at the Apple Store, what does that make you? An iWitness, of course!
