

Dispute Resolution Updates

Welcoming Sound Options Cadre as Our New Mediation Provider

The Office of Superintendent of Public Instruction (OSPI) is pleased to announce that **Sound Options Cadre** will begin providing special education mediation and IEP facilitation services on **September 1, 2025**.

Sound Options Cadre will offer **special education mediation** and **IEP facilitation** services to families and local education agencies (LEAs) in Washington. As the successor to Sound Options Group, OSPI's long-time partner, Sound Options Cadre brings together a team of highly qualified, experienced, and dedicated mediators and facilitators. The organization is also proud to carry forward the legacy of Greg Abell and will continue to partner with OSPI to carry out its commitment to ensuring that families and LEAs across Washington have access to high-quality special education dispute resolution options.

For more information on requesting mediation or facilitation, please visit: [OSPI Dispute Resolution](#) and www.soundoptionscadre.com or email SOC at info@soundoptionscadre.com. Keep an eye on OSPI and Sound Options Cadre's websites in the coming months for more information and updates.
