

2025-26 CSCP Professional Development Calendar

CSCP Professional Development and Implementation Support

This document outlines the schedule of professional development and implementation support opportunities offered by the Comprehensive School Counseling Program (CSCP) team at the Office of Superintendent of Public Instruction (OSPI) for the 2025–26 school year. These offerings—ranging from workshops and webinars to network meetings—are designed to support and strengthen CSCP implementation across Washington state in alignment with [RCW 28A.320.600](#) and [RCW 28A.320.610](#).

This resource is designed to help educators make informed decisions about participating in OSPI’s CSCP professional learning opportunities, keeping them connected to current practices, peer collaboration, and strategies that support improved student outcomes across the state.

District and building leaders, CSCP teams, and other educators can use this calendar to plan professional learning throughout the year, selecting the opportunities that best support their goals at the district, team, school, or individual level.

The 2025–26 professional development series covers a wide range of topics, including:

- Kick-starting CSCPs for the new school year
- CSCP goal setting
- School Improvement Plan (SIP) alignment
- Writing effective pre/post tests
- Interpreting data
- Topic-focused CSCP Connect + Learn office hours
- And more!

Continue to the next page for a 2025-26 year-at-a-glance calendar overview of all opportunities offered during the 2025-26 school year, followed by detailed descriptions of each event organized by month, highlighting the objectives, key topics, and intended outcomes, and links to register or attend.
