Policy & Legislative Updates

- The policy changes for dual credit were **minimal** as an outcome of the 2025 session.
- **HB 1273 passed** which extends a pilot program to increase career and technical education dual credit participation and credit attainment.
- Funding changes were more substantial for dual credit. The 2025-27 biennial budget **eliminates the “after-exit” proviso.**
- **SSB 5253 passed**, establishing that students receiving special education services may continue their enrollment through the school year in which they turn age 22.

OSPI Bulletin 053-25

- [**Bulletin 053-25**](#)
- CES Grant and Exam Subsidy Suspension
- Annual Dual Credit Notification Requirement
- **Running Start Updates and Rulemaking**
- [**Guidance on Supporting RS Students' HSBP Completion**](#)
- [**College-to-High School Credit Conversion**](#)
- Resources and Technical Assistance

College to High School Credit Conversion

WAC 180-51-050(2) (WA Admin. Code)

“ College and university **course work**. At the college or university level, **five quarter or three semester** hours shall equal one high school credit: Provided, that for the purpose of this subsection, "college and university **course work**" means **course work** that generally is designated **100 level or above** by the college or university.”

Highlights

- 5Q/3S College Credit Hours = 1.0 HS Credit
- **Coursework** not credits
- 100-level and above
- Running Start, CiHS, and **CTE Dual Credit**

Credit Conversion: Why Now?

Uniformity

- Inconsistent application
- Inaccurate credit calculation

Equity

- Programmatic: CTE/CiHS overlooked
- Student: Same rigor, different outcomes

Quality

- Skepticism of CTE Dual Credit
- Intentionality and alignment

Credit Conversion Recommendations

Update current students' credits in SIS from 12th to 9th grades

Reconsider dated, questionable, and “dead end” articulations

Revise “mega-articulations”

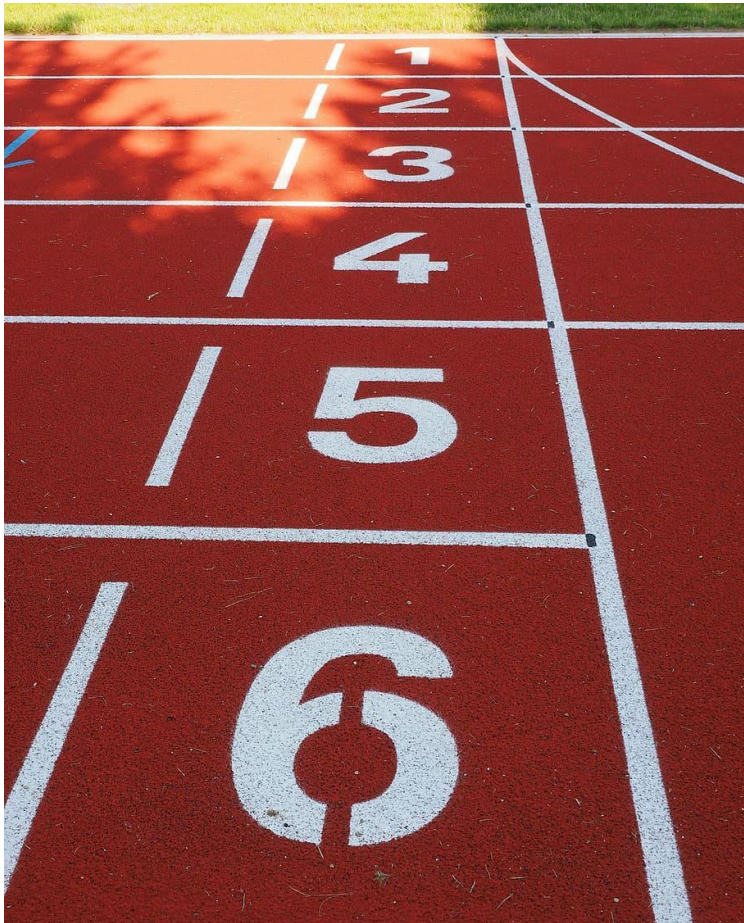

Share credit conversion considerations with colleges

Establish articulations aligned with statewide CTE equivalencies and college pathways

Running Start Updates and Rulemaking

- Special Education Services to Age 22 (ER)
- First Month Running Start Counts (ER)
- Summer Running Start and Graduating Seniors
- FRPL Disclosure and Recommendations
- [Guidance on HSBP Completion for RS Students](#)
- Permanent Rulemaking (Public Comment and Hearings) Forthcoming

Summer RS Review/Preview

- **Summer Running Start is here to stay:**
- **Continuity:** FTE availability/reporting; summer RSEVF; 10 credit limit; rising juniors; non-graduating seniors; summer counts; P223 reporting, etc.
- **Changes:** confirmation form or other evidence of delayed graduation; no after-exit funding; no enhanced rate; free and reduced-price lunch (FRPL) clarification; no grant funding for summer administration
- **New summer-specific FAQ section**

Summer RS Recommendations

Districts

- Monitor/advise on FTE utilization
- Establish/communicate a process for summer administration
- Clarify/communicate process for delaying graduation
- Utilize 7% for summer administrative costs

Colleges

- Do not register students w/o RSEVF and/or evidence of delayed graduation
- Collaborate w/ districts on enrollment timelines

Free and Reduced Price Lunch (FRPL) Guidance

- [Bulletin 053-25](#)
