

Lifelines Trilogy for School District & School Staff

Based on positive feedback and requests, OSPI is pleased to again offer online training on the Lifelines Trilogy.[®], led by national experts, Underwood & Associates. Each of the three sections of the trilogy will be offered on two separate dates. Please register for the following dates in the pdEnroller system. Clock hours are available. Please note that only the intervention trainings are PESB approved for recertification requirements.

Postvention Dates
