August 2017 Edition

## Dear Wisconsin Children's Safety Advocates:

In July 2017, the U.S. Consumer Product Safety Commission issued a total of **4 recalls relating to products affecting children**. Attached is a summary of the releases identifying the product, the problem, and what should be done with the recalled product.

We have found that not all of the recalls are picked up by the news media as they occur. This monthly summary will give you the opportunity to review all of the children's product safety recalls for the past month. If you are interested in a complete text of the recall, click on the hyperlink at the end of the recall description. This will direct you to the recall notice located on the CPSC website.

- **Superpedestrian Recalls Electric Bicycle Conversion Wheels Due to Fall and Crash Hazards ([17-754](#))**
- **TOMY Recalls Munching Max Chipmunk Toys Due to Lacerations Hazard ([17-188](#))**
- **Corbeau USA Recalls Camlock Seat Harness Belts Due to Fall and Projectile Hazards ([17-189](#))**
- **Manhattan Toy Recalls Activity Toys Due to Chocking Hazard ([17-191](#))**

## **KEEP YOUR KIDS SAFE**

**Release Number: (#17-754)** Superpedestrian Inc., of Cambridge, Mass., is announcing the voluntary recall of about 230 electric bicycle conversion Copenhagen wheels. This recall involves the Copenhagen Wheel electric bicycle conversion wheels with serial numbers 01031708600020000000 through 01031710400250000000 for multi-speed wheels and 02031708600020000000 through 02031710400250000000 for single speed wheels. The Copenhagen wheel converts a standard bicycle into an electric bike. It is compatible with 26 inches and 700c (about 28 inches) wheel sizes. All components are housed inside the wheels red hub. The Superpedestrian logo appears in white on the hub. The serial number can be found on the wheel's user interface panel just above the axle.

**Problem:** The rear axle can fail, posing fall and crash hazards to riders.

**What to do:** Consumers should immediately stop using the recalled electric bicycle conversion wheel and contact Superpedestrian to receive a free replacement electric bicycle conversion wheel, including shipping. Consumers can contact Superpedestrian collect call at 617-945-1604 from 10 a.m. to 5 p.m. ET Monday through Friday or online at [Superpedestrian.com](http://Superpedestrian.com) and click on "Support" for more information.

**Release Number: (#17-188)** TOMY International Inc., of Oak Brook, Ill., announces the voluntary recall of about 9,300 Lamaze Munching Max chipmunk stuffed toys. This recall involves Lamaze Munching Max chipmunk stuffed toys with item number L27578. "Tomy," "Lamaze" and the item number are printed on a sewn-in fabric label near the tail of the toy. The stuffed toy is multi-colored with a white clip on the head of the chipmunk. When the clip is pulled, the chipmunk toy vibrates and simulates eating the cloth nut attached to its arm.

**Problem:** Parts inside the toy can break creating a sharp point that can penetrate the surface of the toy, posing a laceration hazard.

**What to do:** Consumers should immediately take the recalled toys away from children and contact TOMY International to receive a free replacement toy and a TOMY online store coupon. Consumers can contact TOMY International toll-free at 866-725- 4407 from 7:30 a.m. to 4:30 p.m. CT Monday through Thursday and 7:30 a.m. to noon Friday or online at <http://recall.tomy.com>. Consumers can also visit [www.tomy.com](http://www.tomy.com) and click on Recalls for more information.

**Release Number: (#17-189)** TOMY Corbeau USA, LLC., of Bluffdale, Utah, announces the voluntary recall of about 2,000 5-point Camlock Harness Belts. This recall involves 5-Point Camlock harness belts intended for use on off-highway vehicles. The belts have part numbers 53001B, 53007B and 53009B. These 5-point camlock harness belts have five mounting points; two lap points, two points behind the seat and an additional strap between the legs. Only harness belts with a date code between May 2016 and May 2017 are included in the recall.

**Problem:** One of the five harness belts can unlock during use and allow the user to fall out of or be thrown from the vehicle, posing a risk of serious injury or death.

**What to do:** Consumers should immediately stop using the recalled product and contact Corbeau USA to receive a replacement or refund. Consumers can contact Corbeau USA collect at 801-255-3737 from 9 a.m. to 5 p.m. MT Monday through Friday, email at [info@corbeau.com](mailto:info@corbeau.com) or online at [www.corbeau.com](http://www.corbeau.com) and click on "Product-recall" for more information.

**Release Number: (#17-191)** The Manhattan Toy Company LLC, of Minneapolis, Minn., announces the voluntary recall of about 14,400 Winkel™ Colorburst activity toys. The Winkel Colorburst teething and activity toy has multi-color plastic tubing inserted into a plastic cube with rattle beads inside. The model number and lot code are printed on the center of the cube and on the hang-tag and product packaging near the UPC code. Only activity balls with the following lot codes are included in this recall: 206880 DH; 206880 EH; 206880 HH; 206871 EH.

**Problem:** The colored plastic tubes on the product can become brittle and break into small pieces, posing a choking hazard to infants.

**What to do:** Consumers should immediately take the recalled toys away from infants and return it to the store where purchased or contact Manhattan Toy for a full refund. Consumers can contact The Manhattan Toy Company at 800-541-1345 from 8 a.m. to 5 p.m. CT Monday through Thursday and 8 a.m. to 12 p.m. CT Fridays, or online at [www.manhattantoy.com](http://www.manhattantoy.com) and click on Recalls at the bottom of the page for more information.
