Addendum 1 Question #	Question	Answer
2	If an applicant has locations in multiple Wisconsin regions, can the organization submit a single application covering the programs/services for all of the regions it intends to serve? Or does the applicant need to submit a separate application for each region it intends to serve?	<p>Per section 4.3 Multiple Applications Multiple applications from a single applicant are permitted when each application will:</p> <ul style="list-style-type: none"> • Consist of program designs for different regions of the State of Wisconsin. • Have program designs that provide services which address the needs of different, separate, and/or distinct populations within one region.
3	May grant funds be spent in more than one region?	<p>Per section 2.1 Eligible Applicants: Establishing services in an area or region requires the physical presence of a primary or branch office in the area. Mobile staff who commute throughout the region for in-home or community-based care are allowed, but a certified office in the region is required.</p>

Clarification:

Applications will be evaluated and scored for one region per application. An applicant's region will be based on the address on file with the Division of Quality Assurance as stated on the certification for the primary or branch office per Section 1.3 Purpose of the Funding. Multiple applications from a single applicant are permitted if the applications meet the criteria identified in 4.3 Multiple Applications.

Per section 1.3 Purpose of the Funding/GFO:

It is the intent of DHS to award to at least one agency per region: Western Region, Northern Region, Northeastern Region, and Southern Region. Two agencies will be awarded for the Southeastern Region. An applicant's region will be based on the address on file with the Division of Quality Assurance as stated on the certification for the primary or branch office. The applicant/applicants with the highest evaluation scores in the identified region will be awarded. Submit the applicable certification as part of Section 3.8 Required Attachments and Additional Documentation.

Per section 4.3 Multiple Applications:

Multiple applications from a single applicant are permitted when each application will:

- Consist of program designs for different regions of the State of Wisconsin,
- Have program designs that provide services which address the needs of different, separate, and/or distinct populations within one region.
