RECEIVING AND UNPACKING STEPS

1. **IMMEDIATELY** open the cooler and follow the TagAlert receiver instructions. See below for details.
2. **Compare** the packing list to the contents of the cooler to confirm they match. See below.
3. **Inspect** the vaccine and report any tampering (e.g., broken seal). See back for details.
4. **Place vaccine** in appropriate storage immediately upon receipt.
5. **Repack** the cooler for refurbishing. See back for details.
6. **Return** the cooler via UPS. See back for details.

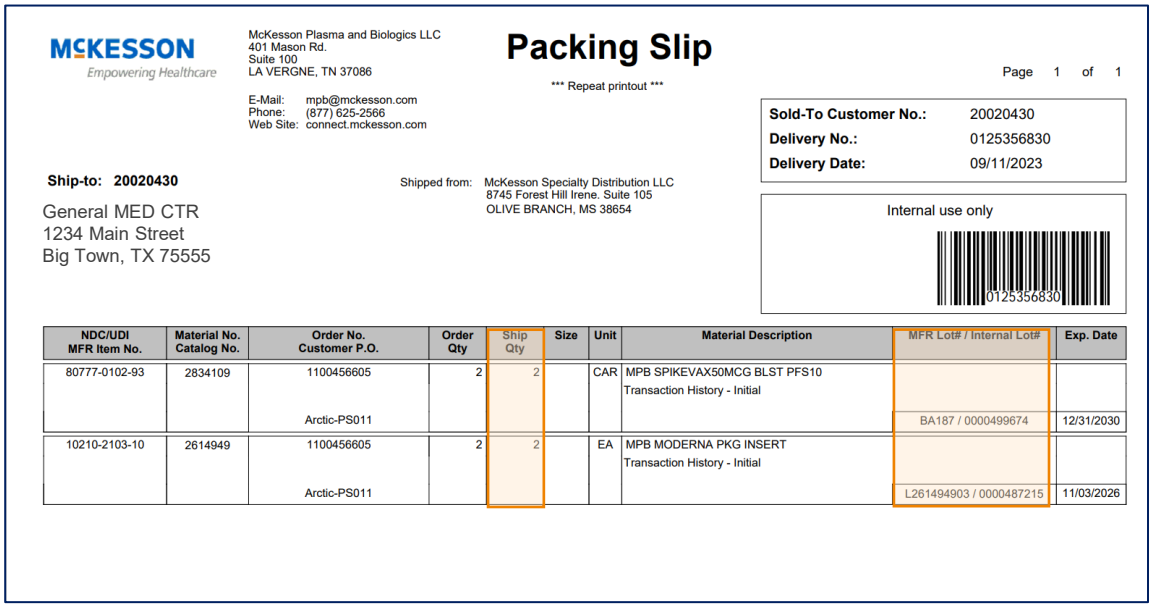

TAGALERT INFORMATION

1. Remove the TagAlert temperature monitor from the box. The TagAlert is located inside the inner box, next to the vaccine.
2. Follow the recipient instructions on the yellow card:
   - **Stop TagAlert Indicator.** Press and hold the Start and Stop button until the Stop icon appears.
   - **Read Indicator Status.** Determine if the appropriate temperature was maintained during transit.
   - **TagAlert Monitor Concerns?** Please call **1-877-836-7123**.

Vaccine should be placed in appropriate storage immediately upon receipt.
