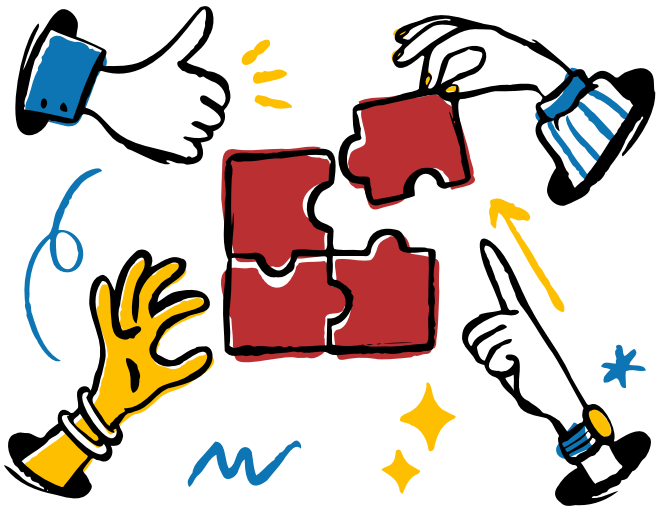
INVESTIGATIONS OF SUSPECTED CHILD MALTREATMENT

Effective Strategies for Questioning Children

May 13 & 14, 2024



FREE 2-Part Virtual Training Series

This 2-part virtual training is for professionals who respond to cases of suspected child maltreatment. This includes law enforcement, Initial Assessment workers, and Child Protective Services staff. Participants will learn effective strategies for questioning children while avoiding duplicative interviewing, and how to efficiently refer the child for a forensic interview. Participants will also learn how to work resourcefully within a multidisciplinary team.

WHO: Professionals who investigate cases of suspected child maltreatment

WHEN: May 13 & 14, 2024
1:30-4:30pm each day
Via ZOOM
