SAFE Fund

The Wisconsin Sexual Assault Forensic Exam (SAFE) Fund is a state-funded program that can reimburse health care providers for the cost of a forensic medical exam for victims of sexual assault. This segment will provide participants with a basic overview of the SAFE Fund, including eligibility, covered costs, and billing/payment processes.

Crime Victim Rights and Enforcement

Victims of crime in Wisconsin are entitled to certain rights, under the state constitution and statutes, which ensure all victims of crime are treated with dignity, respect, courtesy, sensitivity, and fairness. This segment will provide an overview of the rights afforded to crime victims, who is responsible for providing these rights, and the options for crime victims to exercise and assert their rights.

Safe at Home

Safe at Home is an address confidentiality program that provides victims of domestic abuse, child abuse, sexual abuse, stalking, trafficking, or those who simply fear for their physical safety with a legal substitute address for both public and private use.
