Under the authority of Wis. Stat. § 341.41(7), I have determined that as a result of severe drought in North Dakota, South Dakota, and Montana, and the resultant stress on crops, livestock, and grazing land, a special transportation need exists due to the need to transport feed through the state to reach affected areas. Therefore, pursuant to Wis. Stat. § 341.41(7) and Wis. Admin. Code § TRANS 146.07(3), I authorize the waiver of the fees required by Wis. Stat. §§ 341.405, 341.41(7), and 341.45 to obtain a 72-hour trip permit for vehicles traveling into Wisconsin that are not registered in Wisconsin nor enrolled in the International Registration Plan (IRP) or the International Fuel Tax Agreement (IFTA).

This fee waiver remains in effect through September 15, 2017.
